*Empowering Lives*

*"The Art of Conscious Living is Self Love in Action!"*

**Robert Theiss** is an internationally recognized artist, spiritual mentor, teacher and the author of *Living Inside your Passion*, *Straddling your Freedom* and *Awakening to your God Self*. Robert offers a safe space to explore developing a soul filled life in a variety of heart based programs and services with a renewed sense of passion, vitality and joy. He uses his own life experience to inspire others to reclaim a sovereign relationship with Spirit from the inside out.

Robert started his first business, Falcon Designs in 1979 as a custom furnituremaker. His work was featured in *Fine Homebuilding*, *Woodwork Magazine*, *Fine Furniture Design Book #5*, *Old House Interiors*, *American Bungalow*, *Better Homes and Garden* and in the Bellevue Art Museum. In 1989, Robert became interested in alternative healing modalities and in 1993, was initiated as a Reiki master. Over the next 5 years, he taught over a 1000 students the art of healing with your hands. It was in these classes that he became aware of the presence of Archangel Michael and over time, began to develop a conscious relationship with this angelic being.

In 1998, he began to share his relationship with Michael as a spiritual messenger, with the support and inspiration from his wife, Koka Filipovic in an ongoing series of monthly meetings. The tools and information that are presented in his programs and services have all been inspired by this unique relationship and became known as the Teachings of Michael. In 2013, he retired as a custom furnituremaker to devote all of his time to serving Ancient Wings as a spiritual mentor and teacher.
